

Counseling (Psychological Services)

The Office of Admissions and Student Advancement work closely with the faculty advisors to track individual student problems. In the case of any academic or non-academic issues that are impeding a student's progress, the advisor will refer the student to the Assistant Dean and Program Director for the DMS or the Dean for the School of Medical Sciences. The Assistant Dean or Dean will then call the student to discuss the problems in a timely manner.

LMU counselors are available to help current students with personal, career and academic concerns that affect academic success and quality of life. The counseling offices are located in Grant Lee 102. The Director of Counseling, Jason Kishpaugh, can be contacted at jason.kishpaugh@lmunet.edu or 423.869.6401 (800-325- 0900 ext. 6401). All meetings are confidential.
