

Student Advisement

The DMS program maintains an open-door policy with regard to the students. All faculty, advisors, and administrators are available for advice and counsel. The input and opinion of the student are important. Students are encouraged to meet with faculty and staff as needed to facilitate success in the program. Students are encouraged to interact with faculty by e-mail, telephone, web conference, in person or by communication within the course. Any student who feels that they have a question or request that has not been addressed should notify the Assistant Dean and Program Director for the DMS Program.
